Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Adding additional marketing claims, including claims against mosquitoes carrying the Zika virus, and updating the company name.
Product Name: Avon SSS Skin-So-Soft Gentle Breeze Bug Guard Plus IR3535 Insect Repellent SPF 30 Moisturizing Sunblock Lotion
EPA Registration Number: 806-13
Application Date: 09/28/2016
OPP Decision Number: 522179

Dear Mrs. Perkinson:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims

Page 2 of 2
EPA Reg. No. 806-13
OPP Decision No. 522179

made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Menyon Adams by phone at (703) 347-8496 or via email at adams.menyon@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew C. Bryceland", is written over a faint, light-colored rectangular stamp or watermark.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply liberally 15 minutes before sun and insect exposure [using the E-Z Sponge Applicator]. An adult must apply this product to children under 10. Children under 6 months: Ask a doctor. For insect protection, reapply about every 2 hours or sooner if effectiveness diminishes. For sunscreen protection, reapply immediately after towel drying, after 80 minutes of swimming or sweating, at least every 2 hours. Do not exceed 9 applications per day.

STORAGE AND DISPOSAL:

STORAGE: Store in cool, dry place away from heat or flame. DISPOSAL: **If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Protect this product from sun.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS. **Caution.** For external use only. Causes moderate eye irritation. **When using this product** keep out of eyes. **Do not use** on damaged or broken skin. **Stop use and ask a doctor** if rash occurs. **Keep out of reach of children.** **Skin Cancer/Skin Aging Alert:** Spending time in the sun increases your risk of skin cancer and early aging. This product has been shown only to prevent sunburn, **not** skin cancer or early aging.

FIRST AID

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.
Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-FOR-AVON for emergency medical treatment information.
